Bolshevism May Loom In British Parliament Which Convenes Today

Questions of Great Moment, Ireland the Great est, Will Come Up Before Most Unusual Session in History of England.

London, Feb. 3.-The Thirty-first alltionists and will be government Parliament of the United Kingdom, spokesman in the house of commons many ways the most unusual in he history of British politics, opens

This will be a Parliament in which one constituent part of the Kingdomreland-will be totally unrepresented sts, with seventy-three vacant seats only to announce that they will attend presenting rebellious Ireland. Another anomaly is that the first austere British governing body, the Countess Markiewiez, will not attend because she is a Sinn Feiner.

Labor in Strong Seats.

The old Nationalist party, once lorified by the names of Redmond and John Dillon, has been almost knottiest of all-the Irish puzzle completely submerged by Asquith's Liberals, like Pharoah's hosts after the Red Sea did its work, and labor occupying strong seats.

Law Leads Coalitionists.

Even old-time British politicians ar unable to make predictions as to what sort of creature this new Parliament ston, S. C., describing elections has given him such a top-Nicholla declared, "She is heavy majority that already the Libcal Charleston beauty, with eral papers and his partisans predict in features and exquisite his coalition vote of 478 will not re-oloring."
